Any ballots that voters cast in Early Voting are final. After casting ballots in Early Voting, voters may not return to amend, change or undo a ballot for any reason. It is a felony to vote more than once -- or to attempt to vote more than once -- in the same election.

Government-issued photo ID is not required but ID is helpful if there is a question about the voter's registration, address, signature, or if there are two voters at the same address with the same names or similar names.
